Reducing Landfill - Supporting Charities

## And it doesn't need to cost you a penny!

If you have any unwanted items that are too good to go to landfill, now you can use them to raise valuable funds to help the vital work of your favourite charity.

JumbleAID lets individuals and businesses post unwanted stuff online and anyone can pledge a donation in return for an item.

It's FREE and easy to use, and it's good for the environment too!

And, NOT A PENNY OF THE DONATION GOES TO JumbleAID!
